and land policies have already caused substantial damage to facilities in several Midwestern and Pacific Northwest states, and as these movements gain strength, terrorism analysts expect a comparable increase in such incidents In addition, certain perpetrators may be more reticent to jeopardize

their own

Terror and Territory

territory is formed both from the Latin terra—land or terrain—as is generally recognised; but also from the notion of territorium, a place from which people are warned Terrere is to frighten away, and thus on this argument “territory” and “terror” share common roots We can see this in practice too, in that creating a bounded space
